One of the new seven world wonders, the first sight visitors see upon emerging from the 1.5 kilometer-long Siq is the Treasury, the most magnificent of Petra's sights. One of the most elegant remains of the ancient world, the Treasury is carved out of solid rock and stands over 40 meters high.

"The Valley of the Moon", depicted as Mars

In several Hollywood feature films Wadi Rum is an Arabian fairy-tale waiting to be discovered. Home to nomadic Bedouin tribes, Wadi Rum is a quiet getaway of stars, sand, and sun; a perfect complement from Amman's epicenter. Once inhabited by the Nabataeans of prehistoric times, Wadi Rum allows you to get lost in large landscapes and horizon lines. The calmness of the desert is sure to calm your spirit and de-clutter your thoughts.

The baptism site of Jesus Christ takes you through a spiritual journey through time, perfectly preserved on the banks of river Jordan. This archeological world heritage site is considered the original place where Jesus Christ was baptized and has a strong religious resemblance making a pilgrimage destination.

Mount Nebo

Nebo is believed to be the mountain from which Moses was granted the view of the Promised Land and the mountain on which he is buried. It has an important religious significance for many faiths.

You've just arrived in Amman

The capital of Jordan is a fascinating city of contrasts – a unique blend of old and new, situated on 7 hills between the desert and the fertile Jordan Valley.

In the commercial heart of the city, ultra-modern buildings, hotels, bespoke restaurants, art galleries, and boutiques have you rubbing shoulders comfortably with traditional coffee shops and tiny artisans' workshops.
